Registration

We have commenced our registration for 2023/2024 and we do have room left in some of our classes. If you know of any friends or family still looking for preschool spaces, please send them our way! Registration can be submitted online.

We are also proud to announce our continued partnership with G.R.I.T. Calgary Society since 2017. If your child will be returning in the fall and you have any concerns about your child's speech or have spoken to your pediatrician about your child's developmental concerns, you are encouraged to sign up for a free development screening starting this upcoming spring. Details about G.R.I.T. can be found on the home page of our website www.kalkids.com on the right hand side.
