

November 2022 – NOLAN MAIN Location

We have had another fabulous month!! Everyone has adjusted really well and we are now into a nice routine. We have a very busy month planned with some special events – be sure to check your calendar!

Reporting Absences

Please remember if you need to report a sick day to please CALL the school – 403-547-1020. Please listen to the prompts and press for your location. Absence calls or emails coming to the office may not get to teachers in time. Please leave your child's name and the class they are in.

If you know ahead of time that you are going to be away for an extended period – that is when we ask for an email to the school so we can be sure to schedule special helper around those dates.

Goody Bag Reminder

Please be reminded of our goody bag policy. If your child would like to send a goody bag or special item(s) for Halloween or any other occasion they are welcome to do so; however, we do not allow any food items as we cannot check ingredients for allergies and other food restrictions

Photo Gallery

We are currently setting up our online photo gallery. Throughout the year the teachers try to take candid shots of the children at play for families to view. We are hoping to have this started after our Halloween parties. Once the gallery is up and running, we will send the families who consented on the registration forms their login ID's and passwords. We try and update pictures after special events as soon as possible but please be aware that it is a time-consuming process sorting through consented pictures and uploading them. We hope to have passwords sent out second week of November.

Fundraiser

We are excited to team up with Everything Endearing to help raise money for our program! With hundreds of items to choose, there is something for EVERYONE!

Items can be personalized! And 25% - 30% of our sales will come to the school!

An email will be sent out within the next few days providing details on how to order!

Sickness

Unfortunately, cold and flu season will soon be upon us - please refer to your **Parent Handbook for our Sick Policy.**

Please don't send a sick child to school – it starts a cycle of sick children and teachers. Please use your best judgement when it comes to colds - if noses are continuously running with mucus, your child should be at home. Children with fevers, diarrhea, or vomiting are not to return to school until they are symptom free for 24 hours.

Photo Day

Photo day for each class will be taking place on the following days:

Nolan RED & WHITE - Monday, November 14th

Nolan PURPLE & YELLOW - Tuesday, November 15th

Proofs will be available at the school on Nov 21st and due back Nov 29th.

The month of November will be dedicated to one of the biggest units – Space! During this unit, the children will be learning about different planets and will be making a space project for craft. This craft will go home at the end of the unit. During this unit, we are excited to welcome Mad Science Alberta into our classes for a workshop on Space – we also have a great planet video that the children will get to watch!

Special Helpers: Parents/families for the MWF classes are now invited to watch their child’s show and share during the last 15 minutes of their class times. Please let your teacher know if you will be joining us!
